

Team4TheFuture **Elect**

Sierra Lancaster
Clerk Craft Director "D"
(MPA)

State and National Delegate

For those of you who don't know me, my name is Sierra Lancaster and I'm running for Clerk Craft Director (D). I have been a clerk at the Postal Service (stations/branches and distribution) for 8 years, serving as APWU union steward since October 2020. I currently hold a position as a General Expeditor at the MPA.

I would like your support along with my team, Team4theFuture, in promoting our vision for the Indianapolis Area Local to get more people, especially younger employees, involved and active in the union.

Dedicated to the cause, I have attended training at the Tri-State Advanced Steward School 2022, the Tri-State Conference 2021, as well as monthly training courses at our local union hall. I have fought many removals and I am very familiar with the grievance process.

Over the years I have become committed to not only being knowledgeable of our contract, but also being a continuous voice of its message and confidently upholding that message. Knowledge is power! Which is exactly what it takes to fight management, level the playing field, and hold them to the standard set before us.

With the largest local in the state of Indiana and over 1300 members to represent, it is imperative that we have stewards/officers who are knowledgeable, confident, and dedicated to our mission. This administration is just that!! We are here to give the membership what they've been missing for years—LEADERSHIP+EXPERIENCE!

It's time to be the change that you wish to see and together we can make a difference! So when you get your ballot, I urge you to vote for me and be a part of this **Team4TheFuture**!
